

PPEF SILVER JUBILEE AWARD 2023

HELPING PHYSIOTHERAPY MAKE A DIFFERENCE

The Trustees of the Private Physiotherapy Educational Foundation (PPEF) are offering a one-off multi-year award to celebrate its Silver Jubilee, which falls in 2026. This Award can be for any programme of work that applicants feel will help the Foundation to achieve its main objective.

The PPEF was founded in 2001 as a Registered Charity and a Limited Company. The Charity owes its formation to its benefactor Kenneth Balfour who left a large part of his estate for this purpose.

PPEF's main objective is the advancement of research and education in the field of physiotherapy for the benefit of the public.

The Silver Jubilee Award is for a programme of work that will last from between 3-5 years (beginning in the year 2024); with a maximum total value of £0.5M (paid in stages). The Trustees intend this award to be broad in scope in order to attract a wide a range of applications: for example:

- a programme of research; or
- an education programme; or
- a programme of innovation
