

HELPING PHYSIOTHERAPY MAKE A DIFFERENCE

Private Physiotherapy Educational Foundation Recruitment of Trustee

The Private Physiotherapy Educational Foundation (PPEF) is looking to recruit a Trustee to join its Board of Trustees. The PPEF is an independent charitable foundation (Charity no. 1005738) and provides funding for Physiotherapy educational activities and research opportunities, for individuals, teams and organisations, for public benefit. It does this through offering grants and awards throughout each year. Details of the current grant and award schemes are on the www.PPEF.org.uk website.

The PPEF Board of Trustees consists of eight Trustees and typically meets six to eight times each year, with most being online using ZOOM. One or two of the meetings are in-person, usually in London.

PPEF is looking for an individual who is willing to fulfil the duty of care as a Trustee - complying with Charity Law, Company Law, the requirements of the Charity Commission, and the objects of the PPEF and who will act with integrity at all times. There is a duty of prudence to ensure that PPEF is and remains solvent; and uses its funds and assets wisely to achieve its objects. The work is voluntary and rewarding. Travel expenses are paid.

For further information about the PPEF, please see the PPEF website: www.PPEF.org.uk. Further information about the obligations and requirements for becoming a Trustee of a registered Charity are found on the Charity Commission website: www.charity-commission.gov.uk

If you would like to discuss your interest in becoming a Trustee with the current Chair of the PPEF Board of Trustees (Fleur Kitsell), then please contact her by email via admin@ppef.org.uk

To apply to become a PPEF Trustee please submit a short CV (3 pages maximum) together with a covering letter which includes why you would like to join the Board of PPEF Trustees now, and what qualities and experience you believe you can bring to the role; to admin@ppef.org.uk
